

# SPONSORSHIP LEVELS

The Ed Block Courage Award Foundation would like to express our sincerest gratitude for your support, providing us the ability to continue our legacy of helping abused, neglected and at-risk youth across our Courage House Support Network for Kids.

Over the past year, many things have changed in our world and the Ed Block Courage Award Foundation, Inc. has worked tirelessly to adapt. Though we are unable to host our 43rd annual Ed Block Courage Awards Gala in person this year, we have made plans for an amazing virtual event, that will highlight the 2020 Ed Block Courage Award recipients, as well as children of Courage House National Support Network for Kids to be launched on Saturday, April 24th.

With the ever-expanding virtual technology, we have been able to develop sponsorship packages that comprise some unique amenities, that includes local and national advertising recognition. As always, we are also able to customize a package based on your budget and marketing needs.

*For more information or any questions or inquiries, please feel free to reach out to our Director of Operations, Brett Dickinson, via email [bdickinson@edblock.org](mailto:bdickinson@edblock.org) and/or phone 410-821-6252.*
